Condos!

- Asked about

Our Condo case study (not unassigned parking, though!)

<https://chargeathome.org/wp-content/uploads/2025/06/Charge-at-Home-Case-Study-Conserve-Energy-2025.pdf>

More advice for condo boards with regards to unassigned parking spaces and communal chargers to serve the EVs that park there:

<https://chargeathome.org/wp-content/uploads/2025/11/EVChargingatExistingCondosToolkit.pdf>

Pages 4, 14, 16, and 18-20 (most complex material) may be of most usefulness. This Toolkit is particularly in depth so be warned. If anyone has questions or suggestions to improve this toolkit, feel free to have them reach out to me directly at [Whitakerj@forthmobility.org](mailto:Whitakerj@forthmobility.org).

Asking the Right Questions A question guide for identifying an electric vehicle (EV) charging vendor for your existing condominium project
