Asheville
- Workstation/
night cleaning
- comprehensive
plan for all types
of cleaning needs

CATS (Charlotte)
- Convincing
leadership + others
to continue to invest
in electric transit
vehicles

City of Greensboro
100% Renewable
Energy by 2024
* Transition municipal
Fleet to a more
sustainable one

Electrification
of vehicle,
Solar panels

Charlotte
Stimulus
opportunities
are efficient
Medium/Heavy Duty
Shovels & Field
Crews

municipal
vehicles:
100% "clean"
fuels by
2037
includes EVs / hybrids

Pat Robertson
City of Charlotte
Priority: Learn more
about electric transportation
across SE today

HD EV
Dump Trucks
w/ Snow Plow
capabilities
Charlotte

City of Greensboro NC
GHG Inventory
Update
(in progress)

EVs ARE A
BOARD PRIORITY
BUT STILL
WORKING ON
DEPARTMENT
BUDGET

HUSSAIN
WINSTON-SALEM
- Build More CHARGING STATIONS
- Transition City VEHICLES
To EV
- Low or ZERO EMISSION FLEET
(2030)

Durham County
How to get my
org to buy
more EVs

Town of Boone
CCAP -
33% of Fleet
EVs by 2030
