

An aerial photograph of a road winding through a lush green forest. A small yellow car is driving on the road. The road has white lane markings and a guardrail on the right side. The text 'ELECTRIFY THE SOUTH COLLABORATIVE 1.29.26' is overlaid in a white box.

# ELECTRIFY THE SOUTH COLLABORATIVE 1.29.26

# ETS COLLABORATIVE

The [Electrify the South Collaborative](#) creates a community of learning for Southeastern local governments to identify resources, tools, and partnerships to implement transportation electrification goals. The Collaborative helps build local government capacity, enhance peer-to-peer networks, and ensure equitable access to electric transportation benefits across urban and rural communities.

The Collaborative is facilitated by [Southern Alliance for Clean Energy \(SACE\)](#) and [Southeast Sustainability Directors Network \(SSDN\)](#).
